## Quad Cat5e Cable for **LED Large Screen**

4ETCS-30-T & 4ETCS-50-T

LAN CABLE MULTI

# Make your field work easy and timesaving

## Example of use

## Features

- The field work load will be decreased when you use this multi-core cable.
- Adopted Telegartner's robust RJ45 connector for breakage prevention in the field.
- Dust cap does not only protect unused plugs from dirt and dust, but it is also wire-attached to prevent loss.
- 30m → 6kgs and 50m → 11kgs, Flexible and Light weight. Easy for your installation work.
- When hanging LED vision screens, it is less tangled than using many single cables. In addition, it is easy to put the cable through the hanging metal fittings.
- You can use this as Cat5e network cable however the maximum transmission length will be 50m due to its stranded conductors construction.

Type	Model	Length(m)
PoE PoE+ PoE++  Heat Shrink Tubes RJ45ES-4P4C 60cm L 60cm BLK	4ETCS-30-T	30
	4ETCS-50-T	50

**Caution!**

Do not use in water, high humidity, steam, dusty areas or oil smoky areas. It will cause a fire, an electric shock, and a malfunction of the equipment.

• Product specifications and external appearance are subject to change without notice due to upgrades
